Guidelines for the 2018 Meigs County Club Community Service Award

In order for a club to be considered for the Outstanding Club Community Service Award for 2018 the group must…

- Be able to include the entire group in the Community Service activities. (Cloverbuds should be included)
- Keep adequate records for each service (name of activity, brief description, date, length of time in which service was completed, and number of youth participating).
- Any service that is done must be done for Community Service not for profit or club fundraising.
- Each group should submit a picture page.
- Service projects must be completed in the 4-H year August-July.
- At least one service project must be completed in Meigs County.
- Average at least two hours of service per youth in club.

*Accurate total number of service hours will be important in decision for recognition.

Judging Process:
25 points – Portfolio of Service – notebook containing records and photos of work.
25 points – Average hours of service per youth in Club
25 points – Impact in community: for example: who was helped, how many, letters from organizations work was completed for, What was accomplished, newspaper articles.
25 points – Completion on basic requirements: see above.

Coversheet and supporting materials are due to the Extension Office July 28, 2018. A committee will review and score the materials prior to fair.

Clubs achieving at least 80 points will earn the Club Community Service Award and will receive recognition in their club booth at the fair and at the Awards Program.
