No string bikinis or suits that fasten only with a tie will be allowed. If the Camp Program Director deems a suit to be unacceptable, a T-shirt will be required for swimming.

**Please remember that no visitors (except parents) will be allowed without prior permission from the camp director.** It is important that you share this information with anyone who may be planning to visit you during camp, as we will require them to leave. If you need to leave during camp for any reason, you will need to complete an early release form, sign out when you leave and sign back in with a staff member when you return.

**Health Concerns** - Please help us keep our camp safe and the camping experience enjoyable for all campers! All health forms should be turned in to your home county. Persons found to have head lice will also not be allowed to remain at Camp and will be sent home. Please note we will also be watching bedding and bags for bed bugs as

there is an increase in the number of bed bug infestation reports in Ohio. Should your camper become ill or injured we will make every attempt to contact you by phone immediately.
